

About the Youth Tennis Program

The Houston Parks and Recreation Department Youth Tennis Program is a FREE program offered at a variety of public parks throughout the year. In partnership with Houston Tennis Association, Inc. - National Junior Tennis and Learning (HTA NJTL), the program provides children with fundamentals of the game of tennis and educational components that develop life skills.

About NJTL

National Junior Tennis and Learning or NJTL was established in 1969 by tennis pros Arthur Ashe, Charlie Pasarell and Sheridan Snyder, with the goal of developing the character of young people through tennis. Learn more at www.ustafoundation.com/njtl.

How to Register

First find the site that is most convenient for you by checking out the map on the other side of this brochure. The morning sites are numbered 1-40 and the afternoon sites are

41-68. To the side of each number is the site name, address, and a letter corresponding to the schedule for that location. Next go to www.houstonyouthtennis.org. Select the event corresponding with your site's schedule (A-E), look for the name of your park and register for the class matching the age of the student. If you do not have a log in, you will need to create an account. A student may enroll in only two sessions total. All students must bring their own racquet or order one through HYTA. Registration closes May 31 for June sessions and June 25 for July sessions or when full.

Class size remains limited so only sign up for sessions you may attend in entirety. Signing up for too many classes or for the wrong age group will result in cancellation.

Check website periodically for updates.

Educational Opportunities

ACE Curriculum Classes

ACE (Academic, Creative, Engagement) is a curriculum for students ages 7 to 12 and utilizes math, reasoning and team-building exercises to enhance scholastic skills. This curriculum is available to all sites and will consist of 8 virtual lessons. The cost is \$20 per student for the summer. To register, please go to www.houstonyouthtennis.org. At the end of July, students completing at least 6 classes will be recognized.

Traditional Favorites

NJTL is pleased to bring back the traditional educational contests offered in conjunction with the tennis classes:

- USTA Foundation NJTL Essay Contest
- Art, Writing & Research Contest
- Reading Rally

Look for handouts on the home page at www.houstonyouthtennis.org.

About Classes

Schedules may change due to demand or need. All instructors are trained by the United States Tennis Association and utilize the Net Generation Red Orange Green Yellow (ROGY) progression. If there is a question, please call the Youth Tennis Office at (832) 395-7561.

Helpful Reminders
