

**SUMMER 2022  
ACE CURRICULUM  
OUTREACH PROGRAM**

This summer, Houston Tennis Association National Junior Tennis & Learning (HTA NJTL) will offer free educational activities at the majority of the youth tennis sites. Each class will last about 45 minutes and take place immediately following the tennis class for ages 4-6 and ages 7-10. For the older class, ages 11-18, the ACE instructor will take the last 10 minutes of class to detail educational opportunities that may be available through NJTL.

ACE stands for “Academic, Creative, Engagement” and is a curriculum that takes basic academic concepts—literacy, math, reasoning, goal-setting (sometimes combined with tennis themes)—and sets up a fun group learning environment for students. Although the ACE Curriculum Series is not being offered this summer, instructors will visit sites one or two times during a session, and most often read a book then do an activity with the students. The class will be held outdoors near the tennis court (unless indoor space provided) according to the schedule below:

Students are asked to stay an extra 45 minutes after class to accommodate the ACE educational class **ONLY ON THE DATES LISTED BELOW**. ACE instructors will speak to students ages 11-18 at the end of class.
